ACT.1

I Want To Hear Your Voice

TO ME, MY VOICE IS THE INSTRUMENT
... THAT CAN AROUSE THE MOST PASSION
— REITO —
------ And even though
An article saying that just came out ..

Sake and cigs are off-limits, and there's no girls around
This is awfully square for a vacation
Well, the promo for the new album is pretty much over, so just think of this as a vacation and take it easy
There's no help for that. You use your voice to make a living, and that voice is broken.
Here. Change of clothes.
Ow!
THUMP!
Oh? I show up every day, don't I?
Yo, what's up man! Look at me.
Shooting and being sorteid are both off limits for a while, remember.
Hurry up and get yourself married.
Checking me into the hospital was going too far.
To me, anyone who's not cute or pretty doesn't count as a woman.
This is a private hospital, but they've got a reputation for good ear, nose and throat treatments.
Most importantly, this place is good at dealing with the media, so we can feel secure in knowing treatment will stay secret.
Also, it's a good chance to blow off some stress.

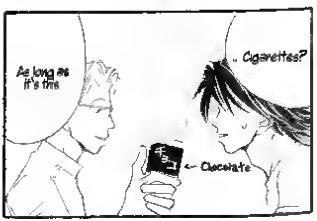
This time, don't just heal your voice
Mend your character and body, too...
Reito.
YOU'VE GOT TO BE KIDDING
TO ME, NOT BEING ABLE TO SING
—IS THE BIGGEST STRESS THERE IS
According to the exam results, there are no polyps on your vocal cords, no swelling at the top of your larynx... No abnormalities at all
Hey, doc...
It's just that, From the hoarseness, it seems as though you may have some sort of vocal cramp-related damage at the moment
For now, just keep eating well and taking the vitamin supplements, and make sure you rest ——
Mr. Grouch is on...

How do I put this? Would it be okay if I brought in some stuff to keep me entertained?
The place isn't bad. You're nice, and the food's okay, and the private rooms are as comfortable as a hotel's, but...
Yes?

T-tch! Damn that woman
By the way, your manager and the hospital staff have set the condition that no outsiders be allowed in, so..
As long as it doesn't damage your voice, there's no problem

SMILE
I recommend both of these brands.

As long as it's this
BOOM
Well, what about sake?
← Prescribed Sake



As long as it's this
.. Cigarettes?
← Chocolate

I mean, if only there were some cute nurses or assistants around, this wouldn't be so ---
Au, dammit..
COUGH
Yeah, thanks
BOW
Even if he does have a sinty-lookin' face..
That is one tough doctor

Well, whaddaya know
There IS a good one here.
And a butterfly—times, at that!

Hiya!
Are you part of this place, too?
You don't seem like a nurse, but if you're a patient here, you're just like me.
lustfull eyes

HUH?
Hey, sorry if I startled ya.
I'm not a weirdo or anything. I just checked in here yesterday, so, you know...
THIS KID...
You're ---
OH, MAN.
IT'S A DUDE.
COUGH! KUFF!
Um... Really sorry about that...
I-- Wasn't trying to pick you up or anything. I'm not into that kind of stuff.
Man, I turned into someone really scary...
It's just, with my job, I run into guys who look like girls and girls who look like guys all the time, so...
COFF!!
EP

Uh, not that I'm saying you're like that or anything...
..Are you mad?
DIGGING HIS OWN GRAVE
Hey!
What, huh? You haven't said a word since I started talking!
If you're mad, just say so, all right? Or are you ----
Kouya!

Ah
Kouya, what are you doing?
Come here

Here you go!
I brought you
your keyboard
.. can't talk?
You
.. You
mean..

I'm sure you already know, but don't use your voice when you do it.
It's got a silencer, so you can write songs or whatever you like. However!
Ah, and here! A message board!
What's wrong? You're really quiet...
Even though you're usually babbling away!...
What on earth are you going to do with it? I never said you had to go that far
Yeah, yeah
Rotten handwriting you've got there.
You're the one who said not to talk if I could help it, jerk
UNABLE TO MAKE A SOUND. CAN'T TALK, OR SING

I DON'T EVEN WANT TO IMAGINE EXACTLY WHAT THAT WOULD BE LIKE
Looks like it's gonna rain, doesn't it
IT'S FAR TOO TERRIFYING
Sorry about before I didn't know anything...
You can talk with this, right?
What's your name?
Huh?
It's chocolate Not the real deal.
What, you're worried about me?
EP

Ah... So you live over there.
My brother is the doctor here. I'm a college student. I live next door to the hospital, with my brother.
And since you're here... Are you a patient? A doctor?
You've got the same surname, so does that mean you're related to that doctor?
Well, kinda, years for a doctor...
The kanji's pretty, too.
The name's as pretty as you.
"Kaoru", huh.
Oh - Sorry. All I'm doing is asking you questions... Well then, I'm -----
I know about you. You're Ooba Reito-san.
Heh.
Okay then, as an apology for yesterday, these are for you. My CDs.
If you don't like 'em, go ahead and sell 'em

Man, you're awesome—!!
I'm a fan
No way! Seriously?!
I already have all your CDs
How about this.
Even without voices, we can talk just fine.
I guess there are lots of ways to express yourself besides talking
I used songs, actually.
Oh.
It finally started to pour, huh?

Want to go in
--- side?
I take away with my face, no, ya know!
Uhh-
What the hell do you think you're doing?!
COUGH
Huh?
But look, it's already dead
A baby bird fell out of the tree..
And I

Ah - Hey!
Where're you going? You're gonna get wet.
What are you doing -----
----- HOW SHOULD I PUT THIS
THIS GUY HAS A KINDA MYSTERIOUS AIR ABOUT HIM

LIKE GLASS THAT'S TOO TRANSPARENT
LIKE COTTON CANDY THAT MELTS WHEN YOU TOUCH IT

LIKE, IF YOU HURT HIM... HE'D BREAK

Man, I really can't write lyrics, can I.
It looks as though you've grown friendly towards Kouya.
Now, I just ——
I'm happy.
That boy is so shy, as you've seen. He just doesn't make friends.
Even if I know that you, who live by your voice, are being kind to Kouya out of sympathy

Has..
Has Kouya-kun always been mute?
----- It happened ten years ago.
At the time, our parents were fighting.
Or, to be more accurate, Father was often violent towards Mother.
No. He went aphasic due to shock.
A certain incident triggered it.
I suppose it's all right to tell you.
However, please, say nothing of this to Kouya.
Incident?

In the end, Mother grew unable to bear it
She killed Father, impulsively, and then killed herself as well.
Unfortunately..
Kouya witnessed it
And then he lost his voice.

I'm sorry, but listen...
'Kill' and 'Love' and words like that Unless they're part of a story or a song, I can't say-am seriously
To be honest, I just can't Feel 'em.
But it is the truth

It was a shock to me, as well, but - Kouya was only nine, and he couldn't take it
He ..
loved Mother so terribly much, you see -------
...It sounds like a made-up story

Kouya, who couldn't bear that truth, lost his voice.
As long as those wounds remain unhealed
His voice will never return to normal ----
Are you free tonight?
If so, come to my room around midnight.
I'm sure you'll be able to get in.
You can call me Keito.
---- It's okay if I call you that, right?
Kouya.

Shall we go, then?
Sir, you come.
It's fine, just come with me
I'll take you someplace good
Huh?
I know, I know. I'm not supposed to leave, you mean
I'm not gonna push myself or anything, so it's fine

Everyone's gotta take a break once in a while
Me...
You, too.
LIVE BAR
Hey—— We're already done for the night

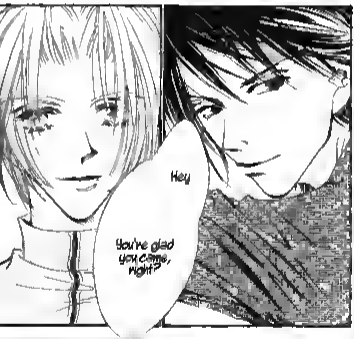
Well then.
Special tonight, the Great Keita will perform an unreleased hit song, right here, just for you.
A hit, don't think it's unreleased?
Always the showoff, Junichi.
Okay if it's acoustic?
You wouldn't have something I can play, too, would ya?
Yeah, that's fine!

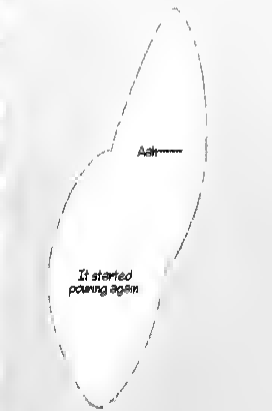
I know, I know!
Just one song, I swear
Man, you're scarier than you look.
You like my songs, don't you?
Right
So let me sing one just for you.

Let's grab a taxi, quick.
If I catch a cold on top of this and your big brother Finds out about tonight, he'll beat me half to death.



Hey
You're glad you came, right?

Yeah,
I can tell, even if you don't say it Your feelings show on your face..



Aah~~~~
It started pouring again

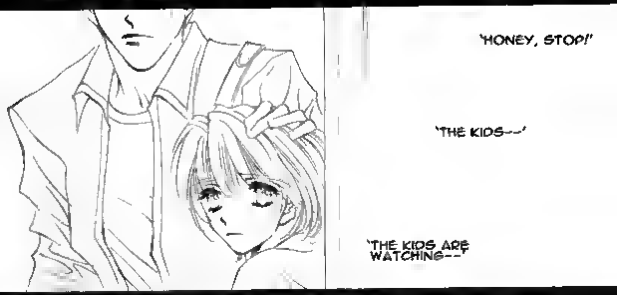
I can...
tell...
'STOP.'
'DON'T TALK ANY MORE.'

That was just a joke! Forgive me!
Don't run away like that!
Okay, okay! I'm sorry!
..Oops.
Looks like I'm one of those annoying drunks.

But you know...
I really do want to hear it
Your voice.
I'm sure...
you've got a nice one
'KOUYA'
'KOUYA WHERE HAVE YOU BEEN?'

'YOU'RE A NICE BOY...'
'AREN'T YOU, KOLYA?'
'BUT MOM, YOUR FACE...'
'OH, LOOK AT YOU! YOU FELL DOWN AGAIN, DIDN'T YOU?'
'YOUR FACE IS ALL SCRATCHED UP'
IS HURT WORSE THAN MINE IS.'

'YOU WHORE!'
'STOP IT!'



'HONEY, STOP!'
'THE KIDS--'
'THE KIDS ARE WATCHING--'

DID YOU GET HURT AGAIN?
MOM?
MOM, WHAT'S WRONG?
ARE YOU CRYING AGAIN?
MOM?
MO--

'DON'T SAY ANYTHING.'
Kouya.

Kouya.
You're really sweaty.
You shouldn't sleep with the window open like that.
Kouya...
Where did you go yesterday?
...Well, it's all right.
Just don't cause me too much worry, going places I don't know about.

Kouya, you poor thing..
But it's all right
I will heal your voice.
I...
will always protect you.
Ahh~~~ Can't sleep!!
My voice has gotten worse since then, and I'm talking to myself more...
Dammit, would some -body...
'You, who live by your voice'
This was the place, wasn't it?
Wonder
if he's still awake.

'YOU, WHO LIVE BY YOUR VOICE',
ARE BEING KIND TO KOUYA OUT OF SYMPATHY.'
TRUE...
BUT THAT'S NOT ALL OF IT...
IF HE GETS UNDER MY SKIN...
THIS MUCH, THEN.....
The win-dow's...
open...

Kouya.
I know.
Yes, I know, Kouya.
—FOR THE FIRST TIME...

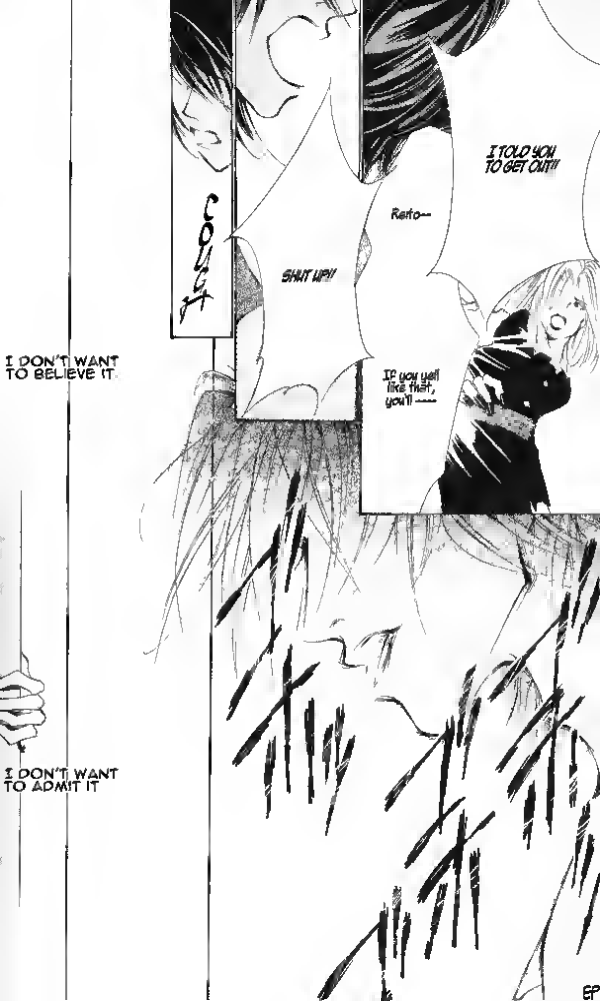
I KNEW
WHAT IT FELT LIKE ..
.. TO BE MUTE
I..
love you too ..

I heard it from the owner of "Loose" -- What a shock!
Sneaking out on your own like that, and even singing!
And I hear you even took the hospital director's little brother along?!
Seriously, Reito, what are you trying to pull?
Hey, are you listening to me?! Reito!
-------- Honestly! You are ill, Reito! Forget not singing after this, what if you lose your voice entirely, hmm? Just what are you planning to do?

That... That isn't what I meant.
I was just...
When?
When will it be healed?
Is my voice..
really that bad?
HAH!
I'm going to go ask
I..
Wait, Reito-
-Wait!

Just tell me, straight out
When will my voice be healed?
It's hard to say for certain
Your vocal cords are suffering from a suddenly reversing nerve paralysis, cause unknown. Five, it's been a year since the symptoms first appeared
Even if we perform surgery, the results will hold for six months to a year at most, but if you're careful not to overwork your vocal cords, and make sure you rest, then on a daily basis ------
Dumb it down, okay? I don't speak Medical.

Will I...
be able to sing again?
It will most likely be impossible for you to sing for a living after this.
Even so, this doesn't mean you have to leave the music business, you know?
The agency Reeli the same way.
You've got talent, Reito. After this, you can write songs, or even produce ------
.. Get out
Reito, I'm sorry
I meant to pick the right moment to tell you about this. ------But



I DON'T WANT TO BELIEVE IT
I DON'T WANT TO ADMIT IT
COUGH
SHUT UP!!
Reito--
I TOLD YOU TO GET OUT!!!
If you yell like that, you'll ----

What?
Come to see me before I retire?
Is there anything I can do?
He
Please don't lose sight of yourself. You've got talent.

Your voice might heal, it depends on your feelings, but...
Nothing.
my voice is hurt..
And it can't... be healed
.. Get out.
If you don't, I don't know what I'll do.
To me, or to you.
You..
make pretty faces like that to flirt with your brother, too, I bet
Don't touch me!

You two are filthy.
But...
I'm not one to talk.
I know.
I know about the relationship between you and your brother.
I DON'T CARE ANY MORE.
BAM!
WAIT!
I CAN'T GO BACK TO THE WAY I WAS.

If you really want to do something for me...
Then let's do what you did with your brother
Come on
I'll...
make you feel awesome.
I CAN'T SEE... WHAT'S AHEAD

Raito, hold it!
And please come by for a checkup again
You could at least say thank you, too!
It's all right

WHAT ENDED UP BREAKING WAS

You know about that?
Vaguely
...And really, those poor kids.
That doctor and his brother
---Ho -nestly!
They say their parents committed a murder/suicide a while back.
WideShow or some other entertainment-news show made a big fuss over it.
The kids were still so young, and on top of that, the younger one lost his voice from the shock. It's just too cruel.
Well, it's due to the fact that the hospital won't take any thing to do with the media, but even a...
I'm sure...
Those brothers had to work hard at helping each other through it.

Are you lonely now?
Since he's gone...
Kouya
It's best to forget about men like him.
In the end...
They're just too different from us.

Kouya...
My dear, sweet Kouya
You really do look like Mother
I don't mind anything as long as you're with me.
You feel the same
Don't you -----

"WHY? WHAT HAPPENED ?"
"MOM"
Kouya

I'm so glad.
You're here
You're a good boy, aren't you, Kouya...
So...
You didn't see anything, okay?
Don't say anything

"DON'T SAY ANYTHING"
Kouya and I have different mothers
My father made his former mistress, Kouya's mother, his second wife
And I fell in love with her at first sight
The one who killed our parents was me

However, my deeply jealous, deeply obsessive Father was always abusive towards her...
and upon realizing my fixation towards her, he became even more violent
I thought, IF things kept on like this, he'd kill her...
So I killed him
I'd relieved my mother's pain. This way, she'd be mine...
"MURDERER!"
Or so I thought
"STAY AWAY FROM ME, YOU MURDERER!"
Mother clung to my Father's corpse, railing against me

Shut up, shut up, she wouldn't shut up
I couldn't stand that screaming voice... wanted to make it go away... And when I came to myself...
I...
I'd killed my mother
That child loved me, and he lost his voice to protect me So
But Kouya was different
Kouya was the very image of his mother, and I loved him deeply in her place We loved each other
I SEE
"Help me"
THAT WORD WAS ---

That's what Kouya said to me the last time I saw him.
You bastard...
Your little brother lost his voice from shock, and you've just used him. You've done nothing more than treat him like a doll.
What do you know?
I've always been able to hear his voice
The joyful cries he raises when I play with him
When he comes to me, unfulfilled, and I push into him and he can't help but sob with pleasure

You know, egoism's got it's limits, you crazy pervert bastard
COUGH !!
If only you weren't here, we'd be happy
If, by some chance, Kouya's feelings are wavering, it's all your fault
That's one sick hobby
I think I'll cut you into pieces, little by little, while you're still alive
Won't that be fun?
Don't worry I won't kill you all at once

I look forward to seeing how long you keep that attitude
Kouya!

Kou
!!
Kouya, don't move
You know, don't you, Kouya
Ever since that time
You can't disobey me

Lucky for you someone got in our way, Ooba-kun
I'll just cut once
And put you out of your misery
Reito!

Kouya
You
Your voice——,
Just
stop this Nii-sa
Stop it
COUGH!

Kouya
COUGH
COUGH
COUGH
You mustn't kill any more people...
WAVER
Your voice finally...
finally came back, Kouya...

Why? Kouya...
Why did you betray me?
I was the only one who ever understood you
Kii-san...
EP
HAH
HAH
HAH
Reversal of positions here
Move, and I'll break your neck...
Kouya, hurry and call the police
I already did
I told them ave rything Pay for your crimes, Kii-san
Wha !

I know why my brother killed our parents
You never listened to anything I said
You never understood... me.

I just went into shock
And when I come to
my voice was gone
I just did whatever my brother wanted me to
Just once, my voice tried to come back
It was when my brother tried to sleep with me
EP

I fought him desperately, but he grew crazed and violent, merciless... I thought he was going to kill me
So many times
STOP!
STOP IT! NII-SAN!
I lost my voice again from the terror
Since my brother was kind as long as I obeyed him, I did everything he wanted...
All the while refusing him, over and over, in my heart
STOP IT!
I'm a weak, cowardly person

Because of me...
Even you were put in danger
My brother shouldn't be the only one punished...
I'm just the same as he is
Don't blame yourself
You were right
You put up with that for ten years
And your brother's love for you and your mother was pure.
He loved you too much, and it made him crazy somehow.
....Even if my brother was like that, I always depended on him.
I felt he was my own flesh and blood.
Well, duh!
This isn't where it ends, either.
It's fine if you hold your brother important in your own way from here on.

Keito-san. You're like the sun.
You've given me a warm, bright place to be
You were the only person who ever tried to understand me
Giggle
Don't laugh! I suck at writing lyrics.
Well
Then I guess that'd make you my planet, huh?
Even when I tried to forget what happened with you, I couldn't do it
But what hurt more than that
Was the thought of you forgetting me
Listen
I was really happy that the first word I heard you say was my name

It was lower than I thought...
But it's a really... good voice.
Aa
Fu

I want to hear more.
Let me hear it.
I DON'T WANT TO CAUSE PAIN ANYMORE
I WANT TO TOUCH
If you don't want this, say so
But
I won't stop
I do want
Ah!
I WANT TO FEEL

Re...
Rei to
Rei...
Nn
Ah-
Aa-
Ah!
I WANT TO MAKE SURE

Reito
!
More
Call me more, Kouya

Ooba-san!
Reito-san
Is that Reito?
No way! Seriously!?
How was the recording session in L.A.?
Not so bad
SAYOKA-san's album which was released last month has passed 20 million copies in sales. Any thoughts on that?
About raking in royalties on it? Yeah, I'm happy
Is she really having your child?
Compared to when you yourself were singing, as a producer, your popularity and income have both gone up, haven't they
That makes me sick

What are your plans now?
I'd like to not hear static for a while.
Singers and you guys.
Are I by "static", you mean...?
I told you not Reito! to say stuff like that!
PRRRRR
Reito?

Yeah...
I wanted to hear your voice
